

TERMS AND CONDITIONS

(GRANTS TO DEVELOP, STRENGTHEN, OR EXPAND HUMAN TRAFFICKING VICTIM SERVICE PROGRAMS)¹

1. PARTIES

The parties to the Grant Agreement shall be:

- i. North Carolina Institute Against Human Trafficking (“the GRANTEE”);
- ii. The North Carolina Human Trafficking Commission (“the HTC”), which is a State governmental entity established in the North Carolina Administrative Office of the Courts pursuant to G.S. § 7A-354;
- iii. The North Carolina Administrative Office of the Courts (“the NCAOC”), a State governmental entity within the North Carolina Judicial Branch which provides administrative and fiscal support services to the HTC.

The GRANTEE, the HTC, and the NCAOC shall be collectively referred to as “the Parties” or individually as “a Party.”

2. SOURCE OF FUNDING AND TERM OF THE GRANT

- a. Section 16.20B.(a)(1) of the Current Operations Appropriations Act of 2021, S.L. 2021-180 (“2021 Appropriations Act”) appropriates three hundred twenty thousand dollars (\$320,000) in nonrecurring funding in each fiscal year of the 2022-2023 fiscal biennium to the NCAOC and HTC to provide Grant Funds to Compassion to Act Incorporated (GRANTEE) to develop, strengthen, or expand human trafficking victim service programs. The General Assembly appropriated this grant funding from federal dollars appropriated to the State of North Carolina under the American Rescue Plan Act of 2021, Pub. L. No. 117-2, codified in 42 U.S.C. §§ 802 and 803 (“ARPA”), establishing the Coronavirus State Fiscal Recovery Fund (“SFRF”).

¹ These Terms and Conditions will be included in the Grant Agreement and are subject to change before the final execution of the Grant Agreement.

- b. The Office of State Budget and Management (OSBM) has determined that this project is the provision of government services within the state's calculated reduction of revenue due to the COVID-19 public health emergency, to be administered and reported under Expenditure Category 6.1 under the U.S. Treasury's Compliance and Reporting Guidance (updated August 15, 2022). 31 C.F.R. Part 35.
- c. The GRANTEE is receiving grant funds to implement a human trafficking victim service program. Thus, the GRANTEE is a beneficiary of federal funds, rather than a federal subrecipient or contractor. Beneficiaries receiving federal funds designated as revenue replacement, like the GRANTEE, are not subject to federal audit pursuant to the Single Audit Act and 2 C.F.R. Part 200, Subpart F. See Section I.D.11 of U.S. Treasury's Compliance and Reporting Guidance (updated August 15, 2022). Beneficiaries, like the GRANTEE, are subject to restrictions on the allowable use of ARPA funds under the U.S. Treasury's Compliance and Reporting Guidance, 31 CFR Part 35, which are incorporated by reference into the Grant Agreement.
- d. GRANTEE is subject to the requirements of the Uniform Guidance, 2 C.F.R. Part 200, except such provisions the U.S. Treasury determined are inapplicable to the award. The U.S. Treasury's 2022 Compliance Supplement provided that the requirements of 2 C.F.R. Part 200 are applicable unless stated otherwise. As such, the GRANTEE is required to follow Subparts A, B, C, and F of the Uniform Guidance for expenses categorized under Expenditure Category 6 "Revenue Replacement," like this grant. However, only a subset of the requirements in Subparts D and E of the Uniform Guidance apply to the GRANTEE's use of such funds. See Sections 13.13., 13.14, and 13.15 of U.S. Treasury's SFRF Final Rule: Frequently Asked Questions document.
- e. The GRANTEE is also considered a subrecipient of State financial assistance for purposes of this Grant Agreement. See G.S. § 143C-6-22 ("Use of State funds by non-State entities") and G.S. § 143C-6-23 ("State grant funds: administration, oversight and reporting requirements"). The GRANTEE is subject to reporting, monitoring, audit, and closeout requirements under State law, as set forth herein.
- f. The Grant Agreement contains both State and federal requirements. In the case of a conflict between State and federal requirements, the federal requirements shall take precedence. If the General Assembly's allocation of SFRF funds is found to be disallowed by federal law, the disallowed allocation is repealed, and the Office of State Budget and Management (OSBM) must transfer the amount of the disallowed allocation back to the SFRF. If such disallowed funds have been allocated to the GRANTEE, and the GRANTEE'S use of funds is disallowed by federal law, the GRANTEE must return the disallowed,

repealed allocation to the NCAOC and HTC to transfer to OSBM. *See* Section 4.9.(c) of the 2021 Appropriations Act.

- g. The GRANTEE may use grant funding that it is awarded in the Grant Agreement during the period that begins at contract execution and ends two years following contract execution to cover eligible costs incurred. Any funds not expended for eligible uses by contract end date, must be returned to the NCAOC and the HTC, as part of the award closeout process pursuant to 2 C.F.R. § 200.344(d), unless the NCAOC and the HTC agree in writing to an extension.
- h. As provided in Section 22 (Survival), some of the Parties' duties shall survive the termination of the Grant Agreement.

3. AWARD OF GRANT FUNDS

- a. The NCAOC and HTC shall allocate Grant Funds to the GRANTEE (the "Grant Funds") in an amount not to exceed five hundred thousand dollars (\$500,000). Payments will begin after contract execution upon submission and approval of financial and performance reports. Pursuant to Section 16.20B.(c) of S.L. 2021-180, Grant Funds for the 2022-2023 fiscal year shall be disbursed on a quarterly basis, so long as the GRANTEE submitted a complete detailed proposal. Agencies with an approved need to draw down additional funding outside of quarterly scheduled payments may make a request to the HTC through a provided form.
- b. Section 16.20B.(a)(1) designates the GRANTEE as a grant funding recipient.
- c. This award of Grant Funds is subject to the allocation and appropriation of funds to the HTC and the NCAOC for the purpose set forth below.

4. PURPOSE AND ELIGIBILITY

- a. The Grant Funds are provided to the GRANTEE for the purpose of developing, strengthening, or expanding human trafficking victim service programs. Pre-award costs, as defined in 2 C.F.R. § 200.458, may not be paid with funding from this award.
- b. The GRANTEE must be eligible to receive the Grant Funds pursuant to Section 16.20B.(a)(1) of S.L. 2021-180, and the GRANTEE hereby warrants that it is so eligible.

5. GRANTEE'S DUTIES

- a. The GRANTEE must submit to the commission a detailed proposal of its human trafficking service program pursuant to Section 16.20B.(b) of S.L. 2021-180 that, at a minimum, must include all of the following:

 - ii. A plan to address the needs of victims, including the goals and objectives of each proposed initiative.

 - v. The anticipated planning and administrative costs for each proposed initiative, sorted by type, including staffing, fixed costs, contracts, and information technology.
 - vi. A description of the organization's capacity to implement its plan to address the needs of victims, including the organization's staffing level, systems, partnerships, existing funding, and existing programs.
 - vii. A description of the applicant's plans and capability to continue each proposed initiative beyond June 30, 2023, if the applicant plans to do so.
 - viii. A program plan on how the agency is determining and monitoring its beneficiaries.
 - ix. Any additional information deemed appropriate by the Commission.
- b. The GRANTEE's proposal must be attached to the Grant Agreement as Appendix A and shall be incorporated by reference into the Grant Agreement. The GRANTEE shall correct any deficiency in its grant proposal that the HTC notifies GRANTEE of prior to the disbursement of funds.
- c. The GRANTEE must obtain the HTC's prior written consent in order to reallocate or redistribute between budgeted items in the proposal.

Subchapter 3M, as well as the 2021 Appropriations Act, S.L. 2021-180, sec. 16.20B.

- g. The GRANTEE must comply with the cost principles in 2 C.F.R. Part 200, Subpart E, which are incorporated by reference in 09 N.C.A.C. 03M .0201. By way of example and without limitation, those cost principles include:
 - i. Costs must meet the following general criteria in order to be allowable under 2 C.F.R. § 200.403:

Capital expenditures for general purpose equipment, buildings, and land require written approval of the NCAOC and HTC, and this Agreement shall constitute such approval to the extent that the capital expenditures are set forth in the attached proposal.
 - iv. Indirect costs must not exceed the GRANTEE's federal negotiated indirect cost rate ("NICRA") or, if the GRANTEE does not have a NICRA and is eligible to use the *de minimis* indirect cost rate under 2 C.F.R. § 200.414(f), indirect costs must not exceed the *de minimis* rate of ten percent (10%). See 2 C.F.R. § 200.414.

The GRANTEE agrees to provide the HTC and the NCAOC with the GRANTEE'S correct taxpayer identification number on the chart in Section 8, above. 17. INSURANCE

- a. During the term of the Grant Agreement, the GRANTEE shall provide, at its sole cost and expense, commercial insurance of such types and with such terms and limits as may be reasonably associated with the Grant Agreement. At a minimum, the GRANTEE shall provide and maintain the following coverage and limits:

Non-Owned Vehicle Insurance supplements, but does not replace, the car-owner's liability insurance.

The GRANTEE is not required to provide and maintain automobile liability insurance on any vehicle – owned, hired, or non-owned -- unless the vehicle is used in the performance of the Grant Agreement.

- b. The insurance coverage minimums specified in subsection a. are exclusive of defense costs.
- c. The GRANTEE understands and agrees that the insurance coverage minimums specified in subsection a. are not limits or caps on the GRANTEE'S liability or obligations under the Grant Agreement.
- d. The GRANTEE may obtain a waiver of any one or more of the requirements in subsection a. by demonstrating that it has insurance that provides protection that is equal to or greater than the coverage and limits specified in subsection a. The HTC and the NCAOC shall determine whether such a waiver shall be granted.
- e. Providing and maintaining the types and amounts of insurance or self-insurance specified in this section is a material obligation of the GRANTEE.
- f. The GRANTEE shall only obtain insurance from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in the State of North Carolina. All such insurance shall meet all laws of the State of North Carolina.

18. TERMINATION OF AGREEMENT FOR CONVENIENCE

The Grant Agreement may be terminated by mutual consent upon sixty (60) days written notice to the other Party or as otherwise provided by law. As soon as reasonably possible following termination of the Grant Agreement, the GRANTEE must transfer any unexpended Grant Funds to the HTC.

19. AMENDMENTS

The Grant Agreement may only be modified in a written amendment executed by authorized representatives of each Party.

20. NO THIRD-PARTY RIGHTS

The Parties do not intend to create in any other individual or entity the status of third-party beneficiary, and the Grant Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained in the Grant Agreement shall operate only by and between the Parties and shall inure solely to the benefit of the Parties.

21. SURVIVAL

The Parties' duties of recordkeeping, monitoring, reporting, and auditing shall survive after the expiration of the term or other termination of the Grant Agreement. Also, the terms and conditions of the Grant Agreement that, by their nature, are intended to survive after termination, such as provisions related to the return of unexpended funds, taxes, indemnification, governing law and venue, noncompliance, no third party rights, severability, no waiver, force majeure, immunities, counterparts and signatures, and the authorized signature warranty, shall survive after the expiration of the term or other termination of the Grant Agreement.

22. SEVERABILITY

If any provision of the Grant Agreement is determined to be invalid under any applicable law, it shall be reformed and construed so that it shall be valid, legal, and enforceable to the maximum extent permitted by law.

23. NO WAIVER

Neither the failure nor any delay on the part of a Party to exercise any right, remedy, power, or privilege under the Grant Agreement shall operate as a waiver or prevent any subsequent enforcement of such term or obligation.

24. FORCE MAJEURE

No Party shall be deemed to be in default of its obligations under the Grant Agreement if it is prevented from performing such obligations as a result of events beyond its reasonable control, including without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, civil insurrection, pandemic, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

25. IMMUNITIES

- (2) Level II - A recipient or subrecipient that receives, holds, uses, or expends State financial assistance in an amount of at least twenty-five thousand (\$25,000) or greater, but less than five hundred thousand dollars (\$500,000) within its fiscal year.
- (3) Level III – A recipient or subrecipient that receives, holds, uses, or expends State financial assistance in an amount equal to or greater than five hundred thousand dollars (\$500,000) within its fiscal year.

(b) Agencies shall establish reporting requirements for recipients that meet the following reporting standards on an annual basis:

- (1) All recipients and subrecipients shall provide a certification that State financial assistance received or, held was used for the purposes for which it was awarded.
- (2) All recipients and subrecipients shall provide an accounting of all State financial assistance received, held, used, or expended.
- (3) Level II and III recipients and subrecipients shall report on activities and accomplishments undertaken by the recipient, including reporting on any performance measures established in the contract.
- (4) Level III recipients and subrecipients shall have a single or program-specific audit prepared and completed in accordance with Generally Accepted Government Auditing Standards, also known as the Yellow Book.

(c) All reports shall be filed with the disbursing agency in the format and method specified by the agency no later than three months after the end of the recipient's fiscal year, unless the same information is already required through more frequent reporting. Audits must be provided to the funding agency no later than nine months after the end of the recipient's fiscal year.

(d) Agency-established reporting requirements to meet the standards set forth in Paragraph (b) of this Rule shall be specified in each recipient's contract.

The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in the Code of Federal Regulations, 2 CFR Part 200. The cost of any audit not conducted in accordance with this Subchapter shall not be charged to State awards.

(f) Notwithstanding the provisions of this Subchapter, a recipient may satisfy the reporting requirements of Subparagraph (b)(4) of this Rule by submitting a copy of the report required under federal law with respect to the same funds.
